Dear Dr. Frank,

On 14-Nov-2018, your manuscript passed the submission check and has now entered the editorial process.

Title: "Propagation of Error and the Reliability of Global Air Temperature Projections"  
Author: Patrick Frank.

Your manuscript has been assigned the Manuscript #ADV18-AR-03604.

You can check its status from the page:

<https://aipadvances.peerx-press.org/cgi-bin/main.plex?el=A5CR6Fzmn2A4FTRZ7F7A9ftdlihznLw37njWvcXeF2WHEQY>

AIP Advances is an open-access journal. If your paper is accepted for publication, it will be freely accessible to all readers and you will retain copyright to it. The paper will be licensed with a Creative Commons license:

<http://creativecommons.org/licenses/by/3.0/>

Note that AIP Advances uses a new model of scientific publication: referees judge accuracy and originality, while the significance of published papers is judged by the readership through an online discussion and rating system.

To support open access, published papers are subject to an article processing charge. You will receive a separate email message regarding payment at that time. Thank you for supporting the mission of AIP Advances.

Sincerely,

AIP Advances
