Dear Dr. Frank,

This is regarding manuscript 5153401 titled "Propagation of Error and the Reliability of Global Air Temperature Projections" We noticed that not all the supplementary material figures and tables are within the text, as figure 1,3,7,8 and 10 and table 1,3,4 only are cited within the text. Please cite all the figures and tables within the text.

We also noticed that there is phone numbers included in the PDF file of the manuscript. In order to protect the authors privacy please remove them.

I look forward to your feedback.

Best regards,

Rana
