BCC: CARL WARD <caew3@yahoo.com>, Bill Haag <billhaag@haag.com>, Nick Frank <nafrank@humboldt1.com>

Your extended silence convicts you.

You people are corrupt to the core. That means you, Joerg Heber.

And Renee Hoch.

And Leonie Mueck.

And morally craven to boot.

At your hands, PLoS ethics are become a conscious fraud and PLoS itself a bitter charade.

You are willful participants in the worst abuse of science, ever.

Candidly,

Pat
